# Save with a higher star rating

Installing a Braemar 7 star equivalent\* ducted gas heater instead of a 3 star ducted gas heater will save approximately \$577 per year in running costs!\*

## Savings per year

Compared to a 3 star ducted gas heater

Over a five year period you could **save up to \$2,885** on your heating costs with 7 star equivalent ducted gas heating.\*

*Achieve even higher savings by adding zone control to your heating system.*

### COST EFFECTIVE

Save up to **\$534 per year** when compared to reverse cycle.\*

### BETTER PERFORMANCE

Reverse cycle works less efficiently when outside temperature drops. Ducted gas efficiency remains steady.

### INSTANT WARMTH

Ducted gas reaches desired temperature much faster than reverse cycle.

### COMFORTABLE AIR

Ducted gas heating won't dry your skin and eyes. It's a different kind of cosy warmth.
